

## **Members' statement on ratification of site agreement**

**14 November 2012, Manchester, UK** - The Members of the SKA Organisation today voted unanimously, via teleconference, to formally approve the dual site implementation model for the SKA telescope that was agreed in May 2012.

The member countries eligible to vote were Canada, China, Italy, Netherlands, Sweden and the UK. Member countries that were involved in the site bidding process, Australia, South Africa and New Zealand, were not eligible to vote.

For further information on the dual site solution, visit: <http://www.skatelescope.org/the-location/>
